**Sub: Information for the shareholders of the Company – WhatsApp group for Twentieth AGM**

Dear Sirs,

To facilitate meaningful interaction during the forthcoming AGM of the company, the company has setup a group on Whatsapp which shareholders are invited to join.

Shareholders on the group will be able to interact with the company management during the AGM by posting questions to which they may be seeking answers.

All members who have submitted their request to speak at the AGM will be invited to speak. In the interest of orderly conduct of the AGM in a time bound fashion, no provision has been made for speakers who may wish to say something on the spur of the moment during the proceedings.

The Whatsapp group will address the need of any member who may wish to seek such spontaneous interaction.

Members may join the group by scanning the QR code or by clicking on the link.
